

## SUBJECT INDEX

ANJ Volume 8  
July 2000 - June 2001

**A**  
**Aboriginal and Torres Strait Islander (ATSI) peoples**  
see Indigenous Australians  
**ACT**  
hospice honours Clare Holland (6):14  
nurse practitioners (3):9  
nurses  
incremental wage advances attacked (9):15  
industrial action (2):12, (3):11  
John James (4):9  
rural, conference (9):17  
and short shifts (6):17  
TCH  
faces behind the masks of theatre nurses (7):6  
staff  
industrial action (5):11, (9):7  
unsafe levels (1):12  
**ACTU** see also APHEDA  
bullying at work survey (3):47-8  
casual workers, parental leave test case (6):7,  
(10):17  
Living Wage (10):17, (11):15  
unions  
members  
earn more (11):15  
rises (10):9  
non-members, service fee (8):7  
women  
congress in Adelaide (4):18  
50% female executive in Melbourne (6):6  
working hours, reasonableness tested (11):15  
Worksite for schools (2):16, (8):13  
**Adams, Pat** (11):17  
**Addicot, Glenda** (3):22-4  
**Adrian, Amanda** (2):12  
**Aged care**  
age discrimination (11):14  
AUP  
election 2001 issues focus (10):26-9, (11):3  
priority issue (3):1  
cardiac: survival rates better at teaching hospitals  
(7):31  
carers' resource: coping with grief and loss (7):9  
CHF (11):9  
conferences (7):3, (7):31  
dementia  
conference (7):7  
managing dementia video (4):9, (7):31  
residents respond well to pampering (7):30  
depressive illness (7):29  
DNR rules (5):17  
election issue for NACAA (9):11  
empty lodges and hospital admission (7):31  
euthanasia, stage play (4):11  
falls (2):20  
foot care (7):31  
funding, AHC criticises government (1):7  
in-service aged care program (5):33  
marxism (6):3  
medical organisation for the elderly (4):15  
medicine education (1):12  
Be Wise with Medicines (3):9  
NARI seminar series (3):37  
National Aged Care Alliance formed (3):7  
nurses  
need for (4):3  
outback (7):29  
wage gap (9):15  
working in (3):22-4, (7):3, (8):4, (9):7, (9):3, (9):4  
palliative care implementation (7):29  
RCI/RCS language of care (9):40  
recognising nursing resources (7):33  
report condemns government's aged care  
complaints scheme (3):17  
residential aged care  
best practice (11):33  
concerns and solutions (1):5, (2):5, (3):5  
dementia residents respond to pampering (7):30  
dependency levels rise (1):13  
Eden philosophy for nursing homes (7):31  
free nursing home care in UK (3):19  
a graduate year in (9):33  
granny cameras in US nursing homes (10):16  
image of aged care nursing in Tasmania (2):27  
individuality and diversity among people in (4):11,  
(5):11  
nursing staff ratios (1):6, (4):9  
petition to improve standards (1):12  
profit motive (11):3  
Riverside Nursing Home staff lose entitlements  
(2):16  
using medication kills resident (10):13  
restraints, guidelines for the use of (11):11  
resuscitating aged care nursing (5):13, (7):3  
skin diseases (6):13  
workforce issues affect quality (6):6  
**AIDS** see HIV/AIDS  
**Alcohol/drugs** see also Smoking  
alcohol  
WA alcohol campaign targets under 30s (3):14  
drugs  
buprenorphine hydrochloride helps heroin  
withdrawal (11):11  
drug-caused episodes (9):9  
extension of nurse prescribing powers in UK (6):20  
Indigenous Australians and medication problems  
(2):15  
injectable drugs: reference revision (5):7, (7):9  
medication charts (10):18  
National Prescribing Service advice line (6):9  
resource book for health professionals in regional  
and remote areas (8):11  
treatment options for rheumatoid arthritis (9):13

withdrawal support nurse (7):17  
wrong medication killed an aged care resident  
(10):13  
managing drug and alcohol withdrawal in Wodonga  
(10):19  
**'Alternative' medicine** see Complementary medicine  
**Alzheimer's disease**  
conference (7):31  
funding support (2):15  
**Anaesthesia**  
effects on men and women (10):18  
new guides (6):33  
online (6):34  
and organ donors (4):34  
**ANF**  
election  
2001 issues focus (10):1, (10):26-9, (11):1,  
(11):18-21  
results (6):9, (9):9  
enterprise bargaining agreements action (3):11,  
(3):18  
memoranda of cooperation  
with RCNA (5):7  
with specialist nurses (10):6  
president's report (9):7, (10):7, (11):7  
Reconciliation, commits to (10):9  
senate inquiry into nursing, welcomes (10):7  
statement of income 1.7 99-30.6.00 (6):41-2  
views on  
aged care (3):15  
defection centres (10):9  
mental health (5):1  
midwifery (2):1, (5):5  
registered and enrolled nurse education (7):1  
undergraduate recruitment (4):1  
violence against nurses, calls for summit (8):6  
website feedback (1):5, (2):5, (3):5, (4):5  
Workplace Relations Amendment Bill 2000  
submission (1):16  
**ANJ**  
image (6):3  
network (1):4, (2):4, (3):4, (4):4, (6):5, (7):5, (8):4,  
(10):5, (11):5  
readership survey (11):37-8  
staff changes (3):14  
**Ankles** bandaging sprained (9):11  
**APHEDA**  
2001 study tours (4):9  
AIDS prevention projects (7):6  
**Arthritis** treatment options for rheumatoid (9):13  
**Asthma**  
and Buteyko breathing method (8):34, (8):35  
misdiagnosis in children (9):22  
**Australia's health 2000** (9):11  
**B**  
**Bainley, program** (3):9  
**Bailey, Lorraine** (8):21  
**Berry, Bonny** (9):7  
**Blood**  
donation ban (5):9  
donor deferral and CJD (6):7  
new test for viruses in SA (3):9  
sugar  
measured by wristwatch (10):16  
tongue test (7):16  
**Botswana** nurses struggle to meet rural health needs  
(5):17  
**Brain injury**, rehabilitation services for patients with  
(4):8  
**Brown, Linda** (2):27  
**Bulic, Irish** (4):15, (5):21  
**Bulk billing** (11):29  
**Bullwinkel, Vivian Statham**, obituary (2):6-7, (3):14  
**Burbridge, Gwen**, obituary (3):12  
**Buteyko, Konstantin** (8):35  
**C**  
**Calabretto, Helen** (11):32  
**Canada**  
nurses reduce post-operative pain (4):21  
Ontario nurses' industrial action (11):14  
**Cancer** see also Chemotherapy; Pain management  
breast  
guidelines for management of (4):11  
link to night shift (8):9  
risk and mastectomy (3):19  
women needed for study (1):9, (2):12, (4):9, (6):11  
cervical, death rates fall (5):9  
prostate (11):35  
**Carey, Michael** (3):37  
**Carroly, Di** (3):20-1  
**Carney, Teresa** (3):20-1  
**Carpal tunnel syndrome** (10):31  
**Cartoons**, as teaching aids (3):3  
**Catlett, Deanne** (4):15  
**Chemotherapy** (11):16  
**Chenoweth, Lynn** (9):33, (10):31  
**Chiarella, Mary** (11):10  
**Children**  
chemicals ineffective on head lice (9):22  
inhaling foreign bodies (9):22  
learn about ageing (7):33  
midwife brings humour to Russia's children (11):17  
special needs children need special emergency care  
(4):35  
stem cell transplantation in (11):13  
**China**, nurse fined for not wearing lipstick (7):16  
**Clinical update**  
31 - Coordinating hospital discharge (1):13  
32 - The use of syringe drivers in palliative care  
(2):13  
33 - Understanding the special needs of the patient  
with scleroderma (3):14  
34 - Re-evaluating the role of the clinical nurse in  
minimising health care related infection (4):13  
35 - Resuscitating aged care (5):13  
36 - Skin diseases in older people (6):13

37 - Menopause: choices for women (7):13  
38 - Writing skills: capturing the elusive elements  
(8):13  
39 - Modern drug treatment options for rheumatoid  
arthritis (9):13  
40 - Aspects of palliative care: pain management  
and hydration (10):13  
41 - Stem cell transplantation in children (11):14  
**Clonwing** (11):17  
**Community welfare organisations**, at full capacity  
(6):11  
**Competency standards** (4):35, (9):3  
clinical competence of student nurses (7):16  
code of professional conduct for nurses survey  
(9):41-2  
critical care nurses update (11):31  
and the NBV (11):4  
**Complementary medicine**  
acupuncture trial to study breastfeeding problems  
(2):37  
Australia's first 'alternative' and conventional  
medicine hospital (4):11  
and complementary care (8):34-8  
exhibition (1):7  
first double degree in nursing and naturopathy (3):43  
healing as balance (8):37  
herbal remedies for sedation (8):34  
ingest top 10 problems, selected (8):36  
nursing guidelines (8):34  
**Conrick, Mary** (4):15  
**Coordinated care trials** (7):13  
**Corrill, Wendy** (11):19  
CPR kit for untrained rescuers (4):37  
**CRAIA** (11):9  
**Cresse, Jean** (9):38  
**Creutzfeldt-Jakob disease** (5):9, (6):7  
**Cunningham, Jennifer** (3):20-1  
**D**  
**Day surgery** (6):34, (6):35, (6):37 see also Surgery  
**Dementia**  
conference (7):31  
managing dementia videos (4):9, (7):31  
residents respond well to pampering (7):30  
**Denison, Suzanne** (8):28, (8):30  
**Dental health** (10):11, (11):20  
**Detention centres**, nursing dilemmas (9):1  
**Diabetes**  
blood sugar  
measured by wristwatch (10):16  
tongue test (7):16  
top 10 problems (8):9  
research could end injections (3):6  
**Doherty, Muriel Knox** (5):15  
**Drugs** see Alcohol/drugs  
**Dunbar, Sarah**, Young Australian of the Year nominee  
(7):9  
**E**  
**Eari, Dianne** (6):11  
**East Timor**, Aussie nurses in (3):20-1, (6):9, (7):7  
**Ebola virus**, kills nurses (6):20, (7):16  
**Education**  
aged care in-service program (5):33  
complementary therapies (8):34  
Australian Council of Deans of Nursing strategic  
plan (9):11  
disabled students, website help (5):33  
first aid (9):13  
HVOS fees should be waived for nurses (3):7  
for Indigenous nurses (9):28-30  
It's okay to ask (VNB advice campaign) (9):13  
mental health (5):1  
National Review of Nursing Education (11):6  
nursing (4):5  
degree in rural Victoria (3):37  
and naturopathy double degree (3):43, (8):36  
practice fear (6):4  
suicide prevention (7):9  
transition from student to graduate nurse (7):24-6,  
(7):13  
for unlicensed nursing and personal care assistants  
(7):13  
writing skills (8):13  
**Education, distance**  
ergonomics (10):31  
health informatics (5):31  
online  
and continuing (5):30  
critical care nursing (9):33  
Internet (9):3  
wound care management online (11):31  
postgraduate rural nursing education (9):32  
prostate cancer (11):35  
rehabilitation course (5):31  
UNE Partnerships health studies (5):35  
USO e-university (5):33  
virtual anatomy patients CD-ROM (5):33  
**Education, postgraduate**  
aged care  
a graduate year (9):33  
specialist programs (3):41  
andragogical model of learning at Curtin (9):37  
ANF Vic Branch health science graduate diploma  
(11):30  
clinical  
nursing (3):32  
practice (3):42  
counselling (9):38  
grief and palliative care (5):39  
critical care  
online nursing at La Trobe (9):33  
SNIP foundational studies (4):37  
stress in courses (4):35  
future directions (9):38  
gender studies (5):33  
health management course online (8):11  
Indigenous health needs (3):36  
Internet support: evidence-based resources (3):39

masters degrees (9):38  
midwifery online (9):38  
NSWCN courses (9):37  
PhD in nursing (3):33  
public health programs (5):33  
RMIT program (3):34  
rural nursing (9):32  
selection (7):4, (8):3, (9):4, (10):3  
St Luke's Nursing Service  
continuing community education (9):37  
palliative care course (9):37  
women's health (8):13  
wound care, graduate certificate (3):33  
**Elesaeve, Maria** (11):17  
**Endoscopic argon beam coagulation** (6):37  
**Ethics**  
AIUC code  
of ethics for nurses survey (8):41-2  
of professional conduct for nurses survey (9):41-2  
conduct for all NHS workers, single code of (2):21  
ICN revised code of ethics for nurses (2):21  
and the NBV (11):4  
and nursing at the Woomera detention centre (9):21  
**Euthanasia** (3):37  
**Evidence based practice**  
and computers (11):39-40  
manual (9):9  
research centre (8):8  
versus ritual and tradition (8):39-40, (10):4  
**Exercise**  
improves mood (11):16  
walking as effective as antidepressants (2):21  
**F**  
**Fergie, Deanna** (3):36  
**Fiji**  
health crisis looms (5):17  
nurses  
need support (1):7  
pay deal in jeopardy (2):21  
**Foote, Anne** (6):9  
**Fonda, Jane** (9):19  
**Forensic nursing** (3):49-50  
**G**  
**Gago, Gail** (6):7  
**Gerdz, Marie** (3):33  
**Gilbert, Kristen** (10):16  
**Gluteraldehyde**, hypersensitivity problems (6):36  
**H**  
**Harloe, Lorraine (Lori) Joan**, obituary (1):11  
**Head lice**, chemicals ineffective on (9):22  
**Heart**  
attack symptoms education (10):9  
disease rises (11):9  
**Helicopters**, not always the answer (3):6  
**Hepatitis C**  
and end-stage liver disease (3):19  
national strategy launched (2):15  
women with hepatitis C (1):32, (3):19  
**Hernia**, repair debate (6):34  
**HIV programs**, infection reduction (1):12  
**HIV/AIDS**  
AIDS  
APHEDA prevention projects (7):6  
HIV  
early pregnancy tests (11):11  
Nigerian nurse sues over HIV sacking (9):19  
PNG women threatened (1):9  
Indigenous health workers resource (2):16  
National HIV/AIDS Strategy (1):9  
**Holland, Clara**, obituary (6):14  
**Honey**, antibacterial effect (3):9  
**Horan, Jenny** (10):19  
**Hormone replacement therapy**, patch (4):11  
**Hospital**  
admissions rise (3):17  
discharge (3):17, (7):30  
coordinating (1):13  
early intervention reduces deaths (4):37  
food with the Naked Chef (4):21  
management website (11):14  
medical errors on Wednesdays (10):6  
**Havenga, Evelyn** (5):31  
**HPA (Health Professions Alliance)** (11):17  
**Hudson, Peter** (3):33  
**Humour** (8):13, (11):17  
**Hungary**, nurse admits to mercy killings (9):19  
**Hyperbaric oxygen therapy** (11):9  
**Hypothermia** (6):37  
**I**  
**ICN**  
new RNF (3):19  
revised code of ethics for nurses (2):21  
revised edition of Ethics in Nursing Practice (3):39  
incontinence awareness (3):17  
**Indigenous Australians**  
Advanced Nursing Diploma achievement (3):36  
conferences  
ACTU (11):6  
CATSNI (11):6  
contribution (1):3  
diabetes (8):10  
health (9):28-30  
care needs (3):3  
Reconciliation to improve health outcomes (1):6  
higher hospital admission rates (1):9  
HIV/AIDS resource for Indigenous health workers  
(2):16  
infant suffocation (9):7  
medication problems, project to reduce (2):15  
NACCHO report goes to the UN (1):12  
nurses (9):28-30, (10):3  
pain issues  
chronic (4):11  
resource (6):37  
smoking rates (3):6  
STEP program (8):10

# Index

- violence against nurses (8) 6  
**Infants** see also Midwifery; Organ entries; Women's health  
 death risk  
 Aggar scores predict neonatal survival chances (10) 18  
 infants born at night have greater risk of dying (4) 21  
 long nails linked to infant deaths (1) 34  
 microprem babies' outcomes (2) 33  
 suffocation (9) 7  
 toys as health threat to neonates (4) 37, (6) 3  
 massage benefits, baby (8) 35  
 neonates thrive in intensive care (4) 35  
 paediatric anaesthetists (6) 34  
 parents  
 coping with childbirth book (6) 11  
 early pregnancy exercise benefits baby's birthweight (9) 22  
 HIV early pregnancy test (11) 11  
 IVF babies risk (9) 7  
 online support for pregnant parents (11) 6  
 women with hepatitis C (1) 32  
 premature babies feel pain (4) 21
- Infection**  
 bacteria  
 electronic sensor trial to identify UTI bacteria (7) 16  
 skin and personal items (3) 3  
 thrive on fabrics (1) 35  
 diseases  
 Creutzfeldt-Jakob (5) 9, (6) 7  
 meningococcal epidemic (3) 14  
 skin diseases in older people (6) CU 1-3  
 whooping cough epidemic levels (3) 14  
 H1N1 reduces infection risk (1) 12  
 hospital  
 acquired infection (9) 9  
 drug-resistant infections in UK hospitals (6) 20  
 nursing health care related infection (4) CU 1-3  
 Staph and patients' noses (8) 20  
 surgery infection rates (8) 11  
 ICPS (Infection Control Practitioners) (1) 35  
 long nails (1) 34  
 malaria stopped by mouthwash, mosquito borne (9) 19  
 MMR vaccination campaign (10) 9  
 needlestick injuries (1) 33  
 overweight travellers risk vaccination failure (7) 16  
 viruses  
 Ebola virus kills nurses (6) 20  
 hepatitis C (1) 32, (2) 15, (3) 19  
 Ross River virus on increase (9) 13  
 as treatment for bacterial infections (1) 33  
 wounds (1) 34, (6) 34  
 honey's cure (3) 9
- Informed consent**, and the betrayal of patients' rights (2) 40-1
- Intensive care units**  
 children with special needs (4) 35  
 delirium (4) 35  
 discharge, supporting patients after (4) 38  
 mortality rates and workload (4) 37  
 neonates  
 thrive in (4) 35  
 toys as health threat in (4) 37  
 recruiting problems (4) 34  
 transfer of patients (8) 13
- IVF** (9) 7
- Japan**, rejects male midwife bill (5) 17
- Jeffrey, Nigel** (11) 9
- Jeffrey, Betty**, obituary (5) 8
- Johnston, Olwyn** (11) 7
- K**  
 Kim, Susie (10) 16  
 Kirk, Sharon (10) 19  
 Korea, international award for mental health nurse (10) 16
- L**  
 Lacey, Rob (7) 17  
 Lefex sensitivity (8) 15  
 Lavanda, Susan (4) 27
- Law**  
 industrial law, proposed changes (3) 18  
 informed consent and patients' rights (2) 40-1, (5) 41-2  
 legal representation, nurses need own (7) 4  
 nursing observations prove critical in a trial (1) 37-8
- Lawrence, Kay** (5) 15
- Leech, Kay** (19) 3
- Liebeck, Michael** (6) 21
- Life support training**, advanced (4) 35
- Longevity**, Australian population (1) 7
- M**  
 Macedonia, RPA project to reduce newborn mortality in (4) 37  
 Malouf, Naomi (11) 35  
 Marshall, Katy (10) 32  
 Mason, Janie (3) 13
- Massage**  
 baby (8) 35  
 hand and foot (8) 38  
 Matarraso, Beth (6) 15  
 Maths training, for nurses (2) 21  
 McCabe, Pauline (3) 43  
 McCormack, Brendan (11) 31  
 McKinley, Sharon (10) 9  
 McMurray, Anne (7) 31  
 Medicare see Public health sector  
 Meningococcal epidemic (3) 14  
 Menopause, choices for women (7) CU 1-4  
 Men's health  
 alternative IV access in penis (4) 21  
 book to help parents cope with childbirth (6) 11  
 overweight (5) 11
- prostate cancer (11) 35  
 suicide (2) 12, (10) 11  
 transition to fatherhood study (1) 14
- Menstruation**, ECCA focuses on endometriosis (2) 12
- Mental health**  
 arbitrated pay package, nurses win (5) 29  
 awards  
 international (10) 16  
 nursing award for mental health achievement (6) 15  
 depression  
 aged care residents (7) 29  
 non-drug treatment (9) 11  
 St John's Wort treatment (4) 21  
 telehealth nurses help patients (5) 17  
 undiagnosed in Asians (8) 7  
 walking as effective as antidepressants (2) 21  
 and economic rationalism (5) 26-9, (6) 4  
 erosion of services (2) 18  
 Indigenous Australians and medication problems (2) 15  
 nursing education (5) 1  
 SA mental health nurses' industrial bans (3) 6  
 Victorian Mental Health Library to go online (2) 9
- Midwifery** see also Women's health  
 Australian Midwifery Action Project (4) 33  
 bachelor degree (5) 5  
 Centre for Evidence Based Nursing and Midwifery (8) 8  
 direct entry programs (5) 4  
 gender issues  
 Japan rejects male midwife bill (5) 17  
 male wins equal opportunity case (3) 17  
 international midwives day (10) 6  
 Masters degree aims to keep midwives in rural areas (2) 35  
 role (2) 1, (5) 4-5, (6) 7  
 studies at Monash (2) 34  
 working parties on workforce issues (11) 13
- N**  
**Needlestick injuries**  
 immediate treatment reduces infection risk (1) 33  
 nurse wins payout (1) 33  
 reporting incidents, and hotline (1) 33  
 retractable syringes (10) 31  
 US legislation (6) 20
- Neelson, Rose** (10) 19
- NEHA**  
 conference in Darwin (5) 16, (6) 3  
 membership (8) 3  
 role (7) 4
- Neurosurgery**, improved techniques (6) 35
- Newnam, Jane** (4) 15, (5) 21
- NHMRC**, appointment and objectives (3) 37
- Nurses**  
 Documentary to reduce pregnancy and abortions (9) 19  
 nurse sues over HIV sacking (9) 19
- NSW** see also NSWIA
